## **Welcome to Employment Solutions for People with Disabilities**

We are a unique non-profit organization that facilitates employment related opportunities for persons with a variety of disabilities across all borders of our society, in Gauteng. We strive to create a disability-friendly environment that is conducive to meaningful and productive participation.

The activities and projects are selected to empower persons with disabilities. Through their participation they have options to enhance their purpose and confidence. The objective is to motivate active involvement in and integration into society.
