## We Can - Rea Kgon

This retail store in Waverley Pretoria specialises in the sale of various hand-made items made by different protective workshops that are members of the Jacaranda Protective Workshop Forum.

We Can Rea Kgon provides the opportunity to showcase the skills and expertise that persons with disabilities have to offer. The aim of the shop is to be an attractive, efficient and effective marketing outlet that will generate a monthly income for people with disabilities who provide stock for the shop. Emphasis is put on high quality handmade goods.

It also creates awareness of the capabilities within the disability sector.
